RE: *Snow Emergency Level 2*

I declared a snow emergency Level 2 on Saturday, January 08, 2005, at approximately 8:16 a.m. Conditions throughout the County were such that there were numerous vehicles in ditches, a semi had rolled over on State Route 2, and law enforcement agencies were reporting very slippery and hazardous roads.

The Level 2 remained in effect until approximately 12:20 p.m. on this date, Saturday, January 08, 2005, at which time the conditions had improved a great deal. Law Enforcement reported no packed snow or ice at that point.

This memo will serve as official notification of the action that was taken. Should anyone require such verification, this memo may be utilized in that regard.

If there are further questions regarding the snow emergency, please contact me at 419-734-6877.
